

Your Participation Makes A Difference

The Y has been a safety net for children and families for 143 years, in good times and in bad. In 2008, we awarded \$400,000 in financial assistance. This year, the need is even greater.

The YMCA Annual Golf Tournament is a fun and easy way to contribute to the YMCA Annual Scholarship Fund. The Scholarship Fund provides some relief to working families struggling to keep their children in child care or engaged in healthy family and community activities.

Together, we build strong kids, strong families and strong communities.
