

Will I be receiving more information about YMCA Vacation Camp?

Yes, a more detailed vacation camp flyer for all vacation camps will be distributed at your child's Live Y'ers program as the registration dates approach. If you are a public registrant you will receive information in the mail about a program near you prior to the camp registration dates. This flyer will include the field trips and special events that are scheduled for each day of camp, as well as the exact location of the camp near you.

Public registration forms are available on gbymca.org.

If you have questions or need more information, please contact Julie Peterson at 862-9622 Ext. 152 or jpeterson@gbymca.org.

What are the fees?

Fees for the vacation camps are \$33 per day per child. The daily fee includes all field trip fees, no extra charges will be assessed.

Does the YMCA accept child care subsidy for camp?

The YMCA does accept Child Care Subsidy for vacation camps. If the subsidy that you are allotted does not cover the entire camp fee, you are responsible for the remaining balance at the time of registration.

When is camp open?

Vacation camps are open from 7:30 a.m.- 6:00 p.m. Children should arrive at the camp no later than 9:00 a.m., so that they do not miss the field trip or special event that has been planned.

How do I register?

If your child is currently enrolled in a YMCA Live Y'er program, registration can be done in person, by mail or by calling the YMCA business office when using Visa, Mastercard or American Express. If you do mail in a check it must be labeled with your child's name, vacation camp site and dates requested. Payment is due at the time of registration and all accounts must be up to date to enroll. Registration occurs on a first come, first served basis. Children can not be signed up before the registration date begins and enrollment ends at 5:00 on the last day of registration. We cannot hold spots without payment. Signing up after enrollment has ended results in a \$20.00 late fee per family.

What if I want to change or cancel my enrollment?

Cancellations must be done by the last day of registration. If a child is cancelled, 50% of the camp fee will be credited to your child care account. If cancellation occurs after the last day of registration, no credits will be permitted.

Changes to enrollment must also be done by the last day of registration. If you decrease the days enrolled 50% of the fees paid will be credited to your child care account. If you decrease days after the registration period, no credits will be permitted.

IF your child is not currently in a YMCA Live Y'er Program, you will need to fill out a Public Enrollment Application. These are available at gbymca.org or by calling 862-9622.
